UTILITIES PURSUANT TO 807 KAR 5:076)	

ORDER

On February 14, 2017, Western Lewis Rectorville Water and Gas District (“Western Lewis”) tendered an application (“Application”) to the Commission pursuant to 807 KAR 5:076 requesting to adjust its base gas rates. After Western Lewis corrected filing deficiencies, its Application was accepted for filing on March 6, 2017. By Order entered March 16, 2017, the Commission established a procedural schedule to ensure the orderly review of Western Lewis’s Application. In its May 25, 2017 Order, the Commission found good cause to grant Western Lewis’s request to file its responses to Commission Staff’s Second Request for Information on or before May 26, 2017, and extended the date the Commission Staff Report would be issued from June 9, 2017, to July 10, 2017.

Finding the procedural schedule should be amended to permit Commission Staff additional time to complete the Commission Staff Report on Western Lewis’s Application, the Commission, on its own motion, HEREBY ORDERS that the procedural schedules established in the March 16, 2017 and May 25, 2017 Orders are amended as follows:

1. No later than July 17, 2017, Commission Staff shall file with the Commission and serve upon all parties of record a written report containing its findings and recommendations regarding Western Lewis's requested rate adjustment.

2. All provisions of the Commission's Orders of March 16, 2017, and May 25, 2017, in conflict with the provisions of this Order are vacated. All other provisions of the Orders of March 16, 2017, and May 25, 2017, shall remain in effect.

3. Nothing contained herein shall prevent the Commission from entering further Orders in this matter.
